Veterans' Outreach Will be Able to Reach More Veterans in Need!

This is a breakout year for Veterans' Outreach. We are very proud of the support that we have provided for 29 years, helping veterans tens of thousands of times. Most of the staff and volunteers have been part of our team for many years, we call ourselves the Veterans' Outreach family and you are welcome to join us. One volunteer in his 70's even calls me "Dad" and he's older than me!

We start the morning with the Pledge of Allegiance and prayer. So, what they say is true – a family that prays together stays together. We have had many eye-opening experiences from the vets that we have served. Those magical moments, when God worked through us, and seeing the joys come alive in those vet client's faces are unforgettable. When they seek us out or any of the referring agencies, they know that we'll do our best to get that veteran the help that they need and leave with pride and integrity in tack.

What We Do Every Day Case Stories

A Veteran and his wife walked into the office, shy to tell us, but the problem was they were hungry. Anxious to help them, we immediately fixed them a BOX of food, enough to last a week. Then we noticed the man was lightly clothed, and our temperature outside was in the high 30's. We asked him if he had a coat. His reply was quiet and muffled, he did not have a coat. We looked through our donated items and were very pleased to provide him with a well-fitted coat. **They ventured into our office cold and hungry, and left with a box of food to and a coat to stay warm.**

A veteran out of Georgia called our branch office in Grayson, KY, and desperately needed help. His truck broke down in Ashland, KY on his way to Colorado to get a transfusion. Amazingly, only 24% of his heart works. Even more amazing is that he died for 26 minutes and 17 seconds on June 26th, 2017 leaving him with a Traumatic Brain Injury. He spent all his money fixing his

truck to get him to his life-saving treatment and had nothing left to finish getting him to the Hospital in Colorado. He said no matter what life throws at him he will survive and get through it. **We got him a \$200.00 visa to help him with his journey to a better heart. He is 72 years old. How incredibly brave of him to make this trip alone and in the condition he is in. He was so grateful for what we did for him and amazed by all the great things we do for Veterans.**
