East Palestine Tragedy

East Palestine Residents - Our Hearts Go Out to You

According to our Transportation Secretary, there are about 1,000 derailments a year! Have there been any like what happened in this quiet little town of East Palestine? I am sure there isn't anything as devastating and alarming as this Ohio town...

Veterans' Outreach Sold Out Special Event

Veterans' Outreach's first 2023 Special Event was a humbling success. "Tine Time" was something we had never done, and we are so grateful for the support from our attendees and sponsors. 100% of those funds will go to our mission, helping our vets in need! We don't receive a penny of Government funds. We are 29 years in the making and helping veterans hundreds of thousands of times. This Event was made possible by a local patriot, who remains anonymous. He had a down payment for the space at the swanky Lake Club, in Poland, Ohio for a special event in his life that was canceled because of Covid.

What We Do Every Day

Stepping Stone in a Time of Great Need

One of the worst things that can happen to a person, especially a family, is a house fire. Recently, that is exactly what happened to a family nearby. Their apartment caught fire and they lost everything. They got out with their lives and that is all that truly matters, however, the reality sunk in of their situation, realizing that they have to start all over. The Red Cross stepped in and was able to get the family 3 days at a hotel. When we received the call we jumped right in. We were able to provide the family with food, fuel, clothing, and referrals for housing while they figured out what they are going to do. We are grateful that they are okay and that we were able to provide them with a sense of solace in this time of loss. Things are just things, they can now move forward, rebuild and find a new place to call home. We are grateful to have been the stepping stone for them that they desperately needed.
